GOVERNOR

September 16, 2018

The myFace Center for Craniofacial Care
at NYU Langone Health
333 East 30th Street
New York, NY 10016

Dear Friends:

It is a pleasure to send greetings to everyone gathered at Randall's Island Park for Races for Faces 2018, benefiting the myFace Center.

Since its inception in 1955, myFace, originally the National Foundation for Facial Reconstruction, has worked tirelessly on behalf of children born with craniofacial differences. Children and their families come to NYU Langone Medical Center to receive high-quality reconstructive surgery and personalized follow-up care from exceptional surgeons and doctors and nurses, as well as a specialized team of dentists, therapists, and counselors who also address psychosocial issues.

Today, you come together to take part in a three-mile walk to raise funds that support research and development and the critical care provided everyday by myFace. This includes the myFace Wonder Project, a program that teaches students to be tolerant of differences, showing compassion and kindness always. I congratulate the O'Reilly Family – Betsy, Kevin, Erin, Kevin, and Kyle – as the Grand Marshals of today's race and I applaud everyone affiliated with this important initiative. Integral to its success is the tremendous generosity of many wonderful friends and benefactors, all of whom are compassionately dedicated to transforming the lives of children and their families.

With warmest regards and best wishes for a wonderful walk and a fun time at the family carnival.

Sincerely,

A handwritten signature in blue ink that reads "Andrew M. Cuomo".

ANDREW M. CUOMO
